#### **Claim 4034, [Robert G. Davis]**

#### **F.R. 176-178v2**

The following is the basis of my claim to a land situated in Palama, near Honolulu, called by the natives, I believe, Havaiiki and also Kumuhahani. This is a kalo land, given to my father, Captain W. H. Davis, one of the first traders here, by Liholiho, King at that time, about 30 or 35 years ago. My father was in peaceful possession of it till his death at this place. It then fell to my late mother, who held it also quietly to her death, when it fell into my hands and my brother's W.H. Davis.

The following are Mr. Metcalf's notes of survey.

"Commencing at rock at northwest corner of stone wall (Papuoe) on east side of this land & running

39° West 46 2/12 feet along line between this & land claimed by Nuuanu to auwai. Thence

North 8° 30' East 48 10/10 feet along auwai to stake, thence

North 62° 30' West 2 chains 30 4/12 feet to stake, Thence

North 26° 30' West 63 11/12 feet to stake at auwai corner. Thence

South 51° 30' West 51 1/2 foot along auwai to stake on edge of it. Thence

North 29° 30' West 3 chains 10 feet (always along Nuuanu's land) to stake at extreme mauka & north corner of this land, thence

South 28° 45' East 1 chain 21 10/12 feet across kalo land to stake at foot of the kula to the end of Wm. Harebottle's land. Thence

North 57° 30' East 2 chains 8 feet along edge of kalo land to stake at corner, thence

South 34° 15' East 47 1/2 foot to stake at slight angle, thence

South 20° 15' East 1 chain 42 feet stake along land belonging to the King, thence

North 80° 15' East 1 chain 25 8/12 feet along land claimed by G. Holmes to stake on mauka edge of auwai, thence

South 48° 15' East 1 chain 37 7/12 feet along Kuauna to stake, thence

South 67° 45' East 1 chain 24 5/12 feet along G. Holmes' land to stake by path makai of house, thence

North 10° East 1 1/2 chains along stone wall to place of commencement including an area of 3 56/100 acres.

There is also a land on the sea side, in front of the above described land, which belongs to it, and called by natives, the 'lihi' of the land, and Kahu - not surveyed.

No. 4034, R.G. Davis, January 25, 1853

Kahilina, sworn, says he knows the ili of Kumuhahane, claimed by R.G. Davis, in Kapalama. The ili consists of 2 separate pieces, one mauka & the other makai, and belonged to the father of claimant from ancient times. The boundaries are the same as set forth in the survey now shown. Old Mr. Davis got this ili of land from Kamehameha I.

**No. 4747, Kama, Honolulu, Oahu, November 11, 1847**  
**N.R. 325v4**

To the Land Commissioners, Greetings: We hereby state our claim for our house lot, at Leleo, on the east side of Church Street. The boundaries are: on the north, a little road, on the east, the fence of Kuluahi, on the south, the house lot of Kaaiawaawa, on the west, Church Street. My makuas occupied this place in the time of Kamehameha I and on their deaths they bequeathed this place to use and we live there. Two houses stand there which are ours. There have been no objections until this time. I, Kama, also have four lo'i in the land called Koiuiu, also there are some at Kapalama. The four lo'i at Koiuku are not in one place, but are scattered. They have been held in peace under the konohiki.

Ewa, Kaahiki's land.

Section 5 – 1 taro patch in Kauipaahea.

Mauka, and Waikiki, a ditch

Makai, Mahi's land

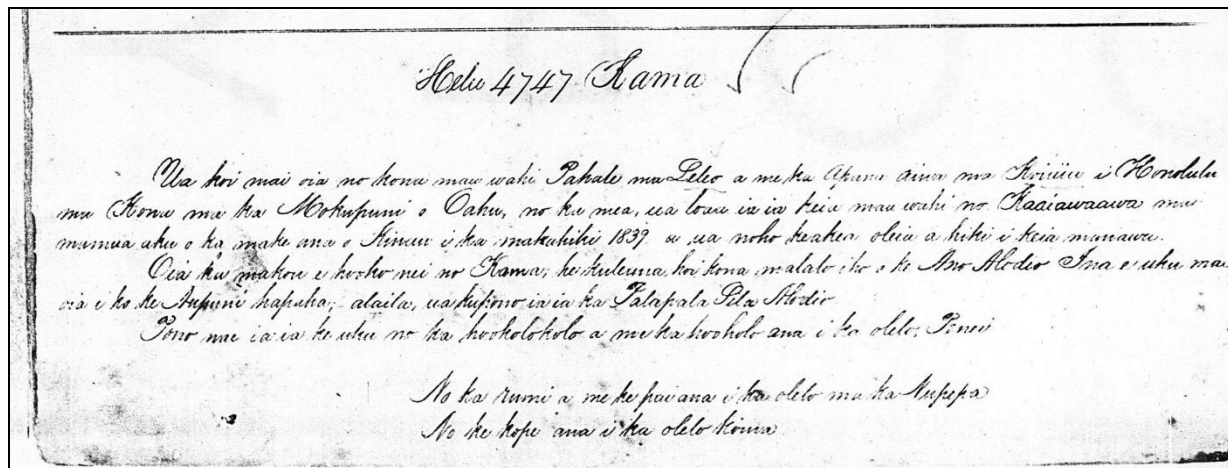

Ewa, Konohikils Friday patch.

Sections 1,2,2, [3] and 4 from Kaaiawaawa before Kinau's death in 1839, peaceful life here for Kama. Section 6 from Mahi before Kinau's death in 1839, Kama has always lived and worked here. Konohiki, Wm. Harbottle and Mahi have objected to this place, Mahi had wanted it for a poalima but Kama had refused. I had seen this patch during the time of Kamehameha I. It was not a Friday, it was for the tenant. Paele had it at that time and he was Wm. Harbottle's dairyman, Mahi succeeded him until a very short while after the death of Liliha, the land was given to Kama. It has not been a koele and Kama has it ta present.

Palupalu, sworn, I have known in the same way as Umi has related here, I have seen section 5 and all of the other sections. These patches have not been a koele to the present day.

**N.R. 333v4**

To the Land Commissioners, Greetings: I hereby state my claim for a house site at Ahaikuou in Kapalama, Island of Oahu. The boundaries are: on the north, Nauala, land of Halulu, on the east and south, a kula, on the west, the lo`i of Uku. I occupied this place in the time of Keaniani, the konohiki of Kapalama. One house stands within this place, which is mine. There has been no dissent until this time. I have two other lo`i at Ahikuou in Kapalama; one lo`i adjoins that of Kawelo [LCA 1102], and one adjoins Kuenā's lole pipi lo`i /cattle skinner's lo`i?/. Two also are at Niuhelewai on the north side of the stream. One lo`i adjoins Puaaloa's lo`i and one adjoins Keki's lo`i. They are held under the konohiki in peace.

No. 4889, Kalimaiki, 24 February 1853

Mose Hoaliku, sworn, I have seen his land sections in Kapalama, Kona, Oahu.

Section 1 - 1 patch at Ahaikuou, ili for Kapalama.

Section 2 - Kahuahale at Kainapuaa, ili for Kapalama.

Section 1:

Mauka, Kanakaole's patch [LCA 1051]

Honolulu, John Neddle's land [LCA 1723-B]

Makai, Stream

Ewa, Nauala, for Konohiki, Kamehameha III land.

Section 2:

Mauka, Kaha's house lot [LCA 1101]

Honolulu, Konohiki P. Kanoa's land

Makai, Ahaikuou konohiki's koele patch

Ewa, Kilikiliana, Henry Zuppleen's land [LCA 275-B].

Kaimaiki's places from Kuku at the time Keaniani was konohiki in Kapalama. Land to Kuku from Moo, Moo's land from Keaniani before the uprising of Kaomi and long before the death of Kinau in 1839. Kalimaiki had lived there peacefully and died on 8 August 1850, probably. These places were bequested to his wife, Kahuhu and children Keoni, Kaneikele, Kahaole and Kualii and they have lived there continuously to this time, no disputes.

Kawaihoa, sworn, I have seen these places of Kalimaiki in Kapalama just as Mose Hoaliku has related here, it is true.

## **LCA No. 8504 to George Holmes**

#### **Claim 8504, George Holmes, Ohule Counter, No. 856**

**F.R. 18v3**

To Board Land Commissioners, &C, Gentlemen, Honolulu, February 11, 1858

I present the following claim to a land called "Kumuulu," situated at Palama, Oahu. This land was given to Oliver Holmes, my late father by Kamehameha I 35 or 40 years ago. At the death of my father in 1825 it fell to me, and I have been in quiet possession of it ever since.

Signed, George Holmes

**F.T. 293-294v3**

Cl. 8504, George Holmes

Kaiwiaoao, sworn, I know this land called "Kumuulu" in Kapalama in 3 pieces.

Part 1, Mauka piece - 10 or more kalo patches & a house lot having 1 house occupied by me. It is bounded:

Mauka is land of R.G. Davies

Waititi, Kapuuiki's

Ewa by Opala

Part II is 8 kalo patches.

Part 3, makai lot - 1 kalo patch and a pond.

Claimant's parents got this land from Kamehameha I. They and he have possessed it ever since.

There is no counter claimant except Ohula who has already got an award for a part of the mauka lot. No. 1.

Kama, sworn, confirmed the above testimony.

**N.T. 664-665v3**

No. 8504, G. Holmes, See pg. 105, Vol. 10, No. 1056 Kama, August 23, 1850

Kaiwiaoao, sworn, I am familiar with the land of Kumuulu in Kapalama, his land and its boundaries, this land has three sections.

1. 10 patches, 1 house site with 1 house standing; the boundaries are:

Mauka, land of R. G. Davis

Waikiki, land of Kekai

Makai and Ewa, land of Naopala.

These boundaries given above have Ohule's two sections in it too, but when this section is surveyed, a separation of Ohule's land would be possible and the remaining land would be for G. Holmes.

2. 8 patches: The boundaries are exactly as the survey by A. G. Thurston as shown on the map.

3. 1 patch and 1 fish pond: It is exactly as the map, the boundaries of which were surveyed by A. G. Thurston.

Kama, sworn, I have heard clearly the testimony given by Kaiwiaoao and I have known in the same way. No one has objected except for Ohule's two land sections yet he had received them from his grandparents.

G. Holmes had received his interest from his parents in 1825 and he has lived comfortably. During the Mahele in 1848 the land was granted to him permanently by King Kamehameha III.
